New York State Women, Inc., WHM Special Committee
Advisory/Consultants
Viola "Vi" McKaig (3) Joan Young (3) Tara Kobrin (6) Janet "Jan" Garvey (3)

A joint congressional resolution designated March as Women's History Month. New York State Women, Inc. adopted the Women's History Month Award at the 1990 Board Meeting, in an effort to make our members and their communities more aware of the contributions women have made, and continue to make, throughout history.

Recognition will be given for Women's History Month projects, programs and other activities that generate community awareness of the contributions women have made in the community, the state and the nation's history. Local chapters are encouraged to take a comprehensive approach to participation in the celebration of Women's History Month; however, an entry does not need to demonstrate that every possible means (for example, community projects AND media coverage/stories AND government proclamations, etc) have been employed to be considered for an award under this program.

All Local chapters are encouraged to use posters, essay contest, special speakers, displays, place mats, radio and TV, public service announcements, and any special events honoring any notable women in their communities, past or present.

Local chapters are urged to record their events with photos, press releases and any notes taken on events and activities. These will be used to prepare their scrapbook for the Annual Women's History Month Competition, with the winning scrapbook to be announced at State Conference.

Best Wishes, Good Luck and Good Fortune with all "your" Endeavors!!

From the New York State Women, Inc., WHM Special Committee

Women's History Month Recognition -2011-12

Recognition will be given for Women's History Month projects, programs and other activities that generate community awareness of the contributions women have made in the community, the state and the nation's history. Local chapters are encouraged to take a comprehensive approach to participation in the celebration of Women's History Month; however, an entry does not need to demonstrate that every possible means (for example, community projects AND media coverage/stories AND government proclamations, etc) have been employed to be considered for an award under this program.

INSTRUCTIONS

1. Entry is to be submitted in a securely fastened folder with the name of the Local Chapter and the words "Women's History Month" on the cover. If entry takes the form of a story or display board, information identifying the local organization and the purpose of entry shall be included with the display materials.
2. The first page in the folder shall include the following information:
 - a. Name of the Local Chapter
 - b. Number of chapter members
 - c. Number of members working on the project

3. Entry includes the following (check all that apply):

Media coverage (if newspaper or other print material, give name of publication or station, application circulation, how often published, etc.) government proclamation (list point of origin, such as from city, town, village, county, other) community activity

Other (please describe) _____

4. Did your entry involve working with other groups in the community? Yes ___ No ___
5. If you answered yes to question #4, please identify the group(s) and describe each party's contribution to the finished effort.
6. Did you make NYS Women Inc., membership information available? Yes _____ No _____
7. If you answered yes to question #6, how many new members were enrolled? _____
8. If applicable, attach a statement of the income and expenses associated with the program or activity.
9. The competition guidelines permit chapters to use either DVD or VHS (at their(chapters) discretion)

DEADLINE FOR SUBMISSION: Postmarked by May 1st, of the current New York State Women Inc., year.
